Introduction to Tarot

with Elisa Lorello

Saturday, Sept 18
11:00 am - 3:30 pm

\$44

This introduction to tarot class takes you on a journey exploring the complex history, meaning and diverse uses of the Tarot in your lives. More than a divination tool, tarot is an opportunity to develop/strengthen/us your intuitive abilities (clairvoyance, clairsentience, claircognizance, clairsentience) for yourself and others.

- Compare/contrast tarot and oracle cards
- Give a basic introduction to tarot and oracle cards (especially tarot)
- Show how to clear and charge the energy of a card deck
- Practice some basic readings to develop intuition

Author Elisa Lorello was born and grew up on Long Island but found her way to Billings just in time to hold her wedding reception at This House of Books. She has written and published numerous novels, a memoir about her lifelong love for the band Duran Duran, and *The Writer's Habit*, which inspired a blog and website, and workshops in storytelling, the writing process, and rhetoric. She approaches each with enthusiasm and humor.

TO REGISTER, sign up online at barjonsbooks.com. Space is limited to 4 attendees. Attendees will be required to wear a mask over their nose and under their chin while in attendance. Class will break outside the room at 1:00pm for 30 minutes, so you can bring a snack.

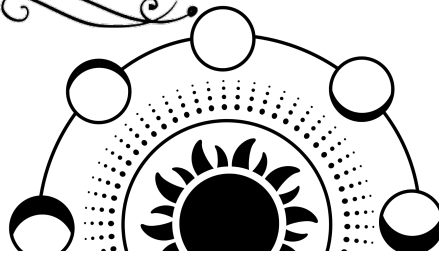

The Harvest Moon

Colors: earth tones, especially brown and green

Stones: Citrine, Chrysolite, Peridot, Tiger's Eye, and other reds, oranges & yellows

Herbs: Wheat, Valerian, Witch Hazel, Skullcap

Deities: Demeter, Osiris, Lugh, Tammuz

In 2021, the Harvest Moon rises on Monday, September 20. The moon will appear full for about three days around this time, from Sunday morning through Tuesday morning, but reach its true peak Monday evening at 5:54 P.M. MST.

What sets the Harvest Moon apart from other full Moon names is that it's not associated with a specific month, rather, the Harvest Moon relates to the timing of the autumnal equinox, with the full Moon that occurs nearest to the equinox being the one to take on the name "Harvest Moon."

Harvest moon traditions and celebrations are found in cultures around the world. The full moon is an ideal time for clearing out old energies. In this is a month of hearth and home, harvest and preparation, spend some time clearing out clutter (both physical and emotional) ahead of the winter months. The Equinox is a season for balance and abundance making it a great opportunity to gather with loved ones and share your favorite music and spiced cake.
