## How To Use Your Intuitive Abilities

With Danielle Egnew

Saturday, Nov 12

1:00 pm - 3:30 pm

\$45

Let's have some fun with your Psychic gifts!! Do you know that you have some sort of intuition, yet weren't quite sure how to access it? Or, do you know how to access it, yet wish you could direct that intuition in way that could assist you day to day? Whether you're a beginner with your gifts, or are a professional veteran of using your gifts, the angels always have more incredible information on how to broaden your incredible intuition, to help yourself and to help others! Have a blast with your spiritual gifts!

Come join Psychic / Author/ Angel Translator Danielle Egnew (ABC, NBC, Travel Channel, Discovery+) for a two and a half hour class packed with fun and exciting exercises on how to access and recognize your Psychic gifts: Learn how to combine your gift of empathy with the clair gifts—clairsentient, clairaudient, clairvoyant. Learn how to "hear" your angels and guides. Learn how to turn your very body into a sensitive scientific instrument that detects incredible energies all around you. Learn how divination with pendulums works, and how it differs from "spirit translation"--and so, so much more!

Each participant will have the opportunity to have the angels tell Danielle which gifts the participant utilizes the most. This will help make our time together fun and full of terrific exercises together!

TO REGISTER, RSVP online at [www.barjonsbooks.com](http://www.barjonsbooks.com), or in person at Barjon's Books. Space is limited to 20 attendees. Masks are encouraged.

## ~AUTHOR SPECIAL EVENT ~

with Nicole Biondich & Mayline Robertson

*Authors of Transforming Relationships Through Belief Work*

**Saturday, Nov 19 | 3:00pm - 5:00pm**

Meet the authors *Stepping Into The Light: A Guide To Clearing Limiting Core Beliefs* showcasing their NEW BOOK "Transforming Relationships Through Belief Work"

Your life is a rich tapestry woven from the threads of relationships that your soul has been drawn to experience in order to learn many valuable lessons. Relationships are how you first create a sense of your own identity and how you heal wounded parts of yourself. Each relationship you encounter is a mirror of your strengths, your fears, and your weaknesses. This workbook is designed to take you on a journey of getting to know yourself better through the relationships that you have attracted. The work you do here will further your understanding of the subconscious limiting beliefs you carry about relationships. Through the belief work tools in this book, you can create more connection, more harmony, and weave more unconditional love into the tapestry of all the relationships that are in your life.

## Gratitude of Thoughts

With Jasmine Wallace

Saturday, Nov 26

11:45 am - 12:45 pm

\$25

Giving thanks to our thoughts, positive or negative is something we seldomly do.

Going from powerless to empowerment is a choice!

We are in the season in which we are told to be grateful and to give thanks, but what if we feel we have nothing to give or to be thankful for? Let's be honest, most of us can sometimes confuse "taking" with "receiving", sometimes we can be so deep in a slump, which can diminish our level of gratitude.

Let's journey through our thoughts and experiences, and create a meaningful dialogue on how to regain control over our mind which will improve our environment, in turn heighten our perception of gratitude.

~ Always remember you are what you need

TO REGISTER, RSVP online at [www.barjonsbooks.com](http://www.barjonsbooks.com), or in person at Barjon's Books. Space is limited to 12 attendees. Masks are encouraged. Due to limited seating, all tickets are non-refundable.
